1. Mr. Sarawankanth, AM (Engg)

2. Mr. Yogeswaran, Exe (Engg)/ Trinco

Bidder's Representatives :

1. Mr. Arul Vakeesan, ISF Industries

2. Mr. Suppun Viduranga, ISF Industries

3. Mr. Jayakantha Rathnayaka, Laugfs Engineering

4. Mr. Priyantha Perise, Laugfs Engineering

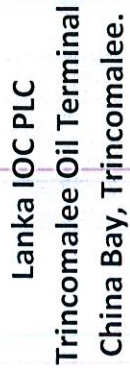

Lanka IOC Conveyed the following,

1. The minutes of meeting shall upload in the web also.

The following queries were raised by the bidders.

S. No.	Query Raised	Response by LIOC
1	M/s. ISF : Based on the quantum of work, any possibility to utilise the power & water arrangements from LIOC.	Construction power and potable water for hydro test shall also be arranged by the contractor at his own cost.
2	M/s. Laugfs: Underground piping through hume pipe whether included in the Scope contractor.	LIOC responded that the hume pipes for underground portion supply by LIOC.
3	M/s. Laugfs: Time period for completion that is 08 weeks for is short considering the quantum of work & since work is to be done in operating location.	LIOC conveyed that no extension of time envisaged at this juncture.
