MINUTES OF PRE-BID MEETING

S/N	Page NO / Clause No	Tender Clause	Technical Query	Reply
M/s KOSE Corporation, queries raised at pre-bid meeting.				
1	N/A	N/A	As the empanelment is for Civil / Mechanical & Electrical works, Is there any possibility to quote this tender by vendors who are having agreement with consortium partners for specialized work such as main civil contractor with mechanical & electrical consortium partners?	LIOC informed that, vendors can't have any consortium for this works. Subcontracting of entire work with 3 rd party is also not allowed and subcontracting will resulted for forfeiture of SD and the black listing of the respective vendor.
M/s Steps Constructions (Pvt.) Ltd, queries raised at pre-bid meeting.				
2	N/A	N/A	As an already empanelled contractor in previous empanelment tenders, do we need to come for document verification?	LIOC informed that, each tender is an entirely new entity and covered with deferent Prequalification criteria. Therefore all the tenders who are quoting for this tender shall participate for document verification with original credentials. There are no any exemptions granted for previously empanelled contractors.

There were no any other queries raised at the pre-bid conference held on 21.02.2019.
